Hook your waste tank to your live vacuum reel.

Vacuum and solution Hoses are included at this price. Garden hose not included  
Additional hose lengths are recommended to be hung on the side wall of the service van.

Solution reel mounts to the floor and fits perfectly in front of the vacuum reel rails  
Ships in 7 boxes or one pallet

Please note if your truckmount you purchased comes with two 50 ft sections of vacuum and solution hoses and a 10 ft 1-1/2" vacuum hose leader, the 2" vacuum hose and solution are the hoses you will hang on your van wall and use as back up sections giving you 250 ft total. The 10 ft 1-1/2" vacuum hose leader is moved over to the reel and used there.

Final assembled project 160 live solution, 160 ft live vacuum, 2 fifty foot section of vacuum and solution on the wall.

Assembly required.

This is a complete system

160 ft of solid continuous 3000 psi solution hose,

Compare to White Magic Truckmount RE110 with RE110K Installed

Read more in the forums section of web site on live reels clicking here.

Please note: floor mount solution reel can also be used to hold 100 ft of 3/8" ID hose or 160 ft of 1/4" hose.

It is recommended that the solution hose be a continuous section.

*Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >*

.Photo below is an example of a triple reel system. This customer below set up his van a little different than most. The floor mount solution reel is being used as a 100 ft live garden hose reel to feed the on board 100 gallon fresh tank. This is positioned just behind the truck mount.
