

Model Number: 1.150-908.0

Shark Super Portable Professional Cold Water Electric Pressure Washer 3 GPM 2000 PSI

1.150-908.0 HD 3.0/20 C Ea

Manufacturer: Shark

Compact, high performance pressure washer with unique stand-up or lay-flat operating position and large carry handle.

Cold water pressure washer for daily commercial use. With compact dimensions, solid construction and excellent maneuverability, this unit is one of the most versatile in the compact class.

This cold-water pressure washer with A/C drive is the ideal entry-level model for commercial end users. The upright HD 3.0/20 C boasts impressive mobility, compactness and a height-adjustable handle. In the extended position, the unit's storage compartment ensures accessories are readily available. In the retracted position, this unit fits easily inside a vehicle. Includes familiar features such as a shock-resistant plastic covering to protect the high-pressure pump from dirt and damage, an electric cable retractor with plug lock, and a nozzle compartment. Comes with a three-way nozzle that enables the water jet to be adjusted quickly and easily; you can choose between a high-pressure pencil jet, a high-pressure fan jet and a low-pressure fan jet for dispensing detergent. The metering valve enables continuous mixing of detergents with the high-pressure jet. An oil level inspection glass allows the operator to check the oil container from outside, ensuring adequate lubrication.
