

Model Number: 20181107

Carpet cleaning Sink Rubber faucet Aerator Filler 20181107

Manufacturer: Clean Storm

Carpet cleaning Sink Rubber faucet Aerator Filler 20181107

Does not includes hose or tubing

Avoids using heavy buckets to fill your carpet and upholstery cleaning machine.

Cheaper alternative to converting machine to auto fill

No more accidents spilling water outside the machine during filling.

Perfect backup system for automatic fill machines when you do not have access to standard sink or shower head hook ups.

To use add you own hose or tubing length of your choice, simply hold under the faucet aerator with a snug fit and turn on the hot water to fill your machine.
