Legacy 2-Wire Hose 200 ft. x 1/2in 5000 PSI SOxSW 8.925-328.0

Manufacturer: Legacy

Legacy 2-Wire Hose, 200 ft. x 1/2", 5000 PSI, Solid X Swivel ends 8.925-328.0
For use with hot or cold-water pressure washers, this hose is rated for continuous temperatures of up to 250° F. Built to exceed the EN1829-2 standard and will provide superior abrasion resistance that will increase the life of the hose. Single wire braid hose comes with durable 8 inch bend restrictors on both ends. The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip retention, far superior to the "compression" fittings used on conventional hoses. Each high pressure hose from Legacy has a permanently embossed identification to make for easy tracing and owner protection.
