Karcher: Hose, 3/8x 15', 2 wire, Tuff Skin, Leg, Solid X Swivel ends, Blue 8.925-309.0
- Legacy Shark

For use with hot or cold-water pressure washers, this hose is rated for continuous
temperatures of up to 250° F.

Built to exceed the EN1829-2 standard and will provide superior abrasion resistance
that will increase the life of the hose.

Double-wire braid hoses come with durable 8 inch bend restrictors on both ends.

The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip
retention, far superior to the "compression" fittings used on conventional hoses.

Each high pressure hose from Legacy has a permanently embossed identification to
make for easy tracing and owner protection.
