Manufacturer: Karcher Pressure Washing

Karcher: Hose, 3/8x 130', 1 wire, Tuff Skin, Leg, 4000 psi Solid X Swivel ends, Blue 8.925-282.0

- Legacy Shark

For use with hot or cold-water pressure washers, this hose is rated for continuous temperatures of up to 250° F.

Built to exceed the EN1829-2 standard and will provide superior abrasion resistance that will increase the life of the hose. Double-wire braid hoses come with durable 8 inch bend restrictors on both ends.

The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip retention, far superior to the "compression" fittings used on conventional hoses.

Each high pressure hose from Legacy has a permanently embossed identification to make for easy tracing and owner protection.

3/8" MPT swivel x 3/8" MPT swivel ends

3000 PSI, 130 ft. long
