

Model Number: 58-FLC-60

Aquatec 58-FLC-60, Water Pump, 60 psi 115v 1.4 gpm

Manufacturer: Aquatec

Aquatec Pump 5800 Series 60 PSI 115V

60 psi Switched with internal bypass diaphragm pumps

This pump has three internal independent bypasses that regulate the flow when used to work upholstery tools or other small nozzle tip tools. It also provides a pressure switch that has the pump work when it needs to, giving the pump a longer life. The pumps are adjusted to go as low as .02 tip.

- 3/8" inlet & outlet ports
- Santoprene diaphragm, viton seals
- 1.4 GPM open flow, 1.3 amps @ 60 psi max
- Self priming
- Capable of being run dry
- Max liquid temp = 170 deg F
- Permanent magnet motor

Used in the carpet cleaning industry as a drop in replacement. No additional fitting or wiring needed.

- Available in 12 volt and 240 volt version

Aquatec Pump 5800 Series 60 PSI 115V

Aquatec is the only USA Made pump on the market, as Flojet and Shurflo have gone to Mexico/China. These pumps have the following key differentiating features:

1. Made in the USA
 2. The only sealed motor on the market, to prevent moisture and dust intrusion
 3. All of our models incorporate the combination dem and switch and internal bypass, to ensure there is no cycling with #2 tips or larger
 4. These high efficiency motors are made in California with the longest life brushes and front/rear bearings available for reliable performance.
 5. They have all agency approvals, UR, CE, and RoHS.
- Drop in replacement for other brands of Shurflo and Flojet pumps.
