Manufacturer: Clean Storm

Carpet Cleaners Narrow Platform ETM Cart 16 X 63 with Handles and 6 Wheels 20181222

The ETM narrow is more efficient than a hand-truck, allowing you to load all your carpet and tile cleaning equipment in one load. A total load capacity of 2000 lb. means you can move more equipment in a shorter amount of time.

Increase the efficiency of your business or employee operation by using the Clean Storm 16" x 63" narrow utility cart! Not only is this heavy-duty cart easy to load and maneuver, it will help your employees to transport equipment throughout buildings in the safest way possible. With a 2000 lb. load capacity, the narrow utility cart is perfect for heavy-duty applications and will help to maximize your productivity!

Maneuverability

The position of the swivel casters on the end of the cart, coupled with the large rigid wheels at the center, provides excellent stability and gives you the ability to rotate this cart on its axis for efficient loading and unloading.

Anti-Slip Surface

Thanks to an anti-slip diamond pattern steel deck, the loading surface of this cart will grip your boxes and prevent them from shifting, allowing you to stack larger loads and move more items in a shorter period of time.
