in the foster brand.

These solution hoses are built for the most demanding pressure and heat requirements of today's high heat and high pressure truck mounts. These 1/4" solution hoses are rated at 3,000 PSI and 250°F. The steel braid construction gives the hoses both strength and flexibility. Plus, the composite rubber exteriors are non-marking, too. Hydro-Coil solution hoses meet manufacturer's specifications for all high temperature truckmounts. Each bulk hose does not include male pipe fittings or protector sleeves.

- Rated at 3,000 psi and 250 degree F, this non marking hose will withstand everyday abuse
- Steel braid makes it tough and also very flexible
- Meets manufacturer's specifications for all truckmount high-temperature machines
- Tested to 12,000 psi burst
