Model Number: 1.148-316.0

Karcher NT 40/1 Tact Te HEPA with power outlet Automatic Switch Tact filter cleaning 1.148-316.0 Shop Vacuum

Manufacturer: Karcher Pressure Washing

Kärcher NT 40/1 HEPA vacuum Tact Te with power outlet (automatic on/off switch) and Tact filter cleaning 1.148-316.0 Class M Safety Vacuum

Daily, tough work on construction sites and in workshops makes high demands on both craftsmen and equipment.

The NT 40/1 Tact Te wet and dry vacuum cleaner meets these requirements.

This compact fine dust expert, with its stable 8.2 gallon container with rugged metal castors and bumper and proven Tact filter cleaning system, guarantees uninterrupted suction of large amounts of particulate matter under heavy-duty conditions.

A PES flat pleated filter that is impervious to moisture also contributes to a dust-free working environment.

Craftsmen and other operators will appreciate the ease of use and easy selection of suction settings thanks to a newly developed rotary switch and the infinitely variable speed control.

The machine is fully equipped with the newly developed and highly improved accessories which are neatly stored in the integrated suction hose and accessory storage feature.

Work with power tools is made easier thanks to the power outlet with automatic on/off switch.

6.907-629.0 Hepa filter (included with NT 30/1, NT 40/1, NT 50/1)

The Karcher NT 40/1 Tact Te HEPA Wet/Dry Vacuum (1.148-316.0) is a favorite among craftsmen for wet and dry vacuum cleaners. It is an ideal fit for a workshop or construction site and can expertly remove fine dust where other vacuums may fail. It features the Tact automatic filter cleaning system which provides improved performance with a reduced noise level, even after vacuuming large amounts of fine dust the Tact system continues to provide powerful suction without the need for manual cleaning. Karcher's newly developed rotary switch and infinitely variable speed control are two more features that help this vacuum to rise above the competition.

150 CFM X 102" Water Lift = 15,300 Cleaning Unit Speed.

Power outlet with automatic on/off switch

Improved accessories over previous generation and built in storage for hose/accessories

Tact automatic filter cleaning system
