Windsor 8.637-471.0 Radiant Orbital Scrubber 17 Inch Floor Machine Weight Set ONLY - No Floor Machine
18.736 KGM / 41 lbs

Think outside of the box. Round is the new square. Why?

Simply because it performs better, costs less and is easier to use all day.

The versatile Radiant features ORB technology and provides true dual-motion orbital mechanics without the operator experiencing harsh vibrations from the machine. Our pad lies flat on the floor resulting in better productivity, more even pad wear, and improved results.

- Provides even pad wear resulting in better, faster performance
- Integrated solution system allows for improved control and less waste
- Low-vibration design allows for hours of fatigue-free usage
- Chemical-free floor finish removal
- Clean carpet with low-moisture encapsulation
- Make tile & grout shine with the nylon scrub brush
- Polish stone with our complete restoration kit
- Remove finish from wood, VCT and vinyl floors
- Clean indoor and outdoor concrete
- Deck can be raised to change pads without tipping machine on its back
- Large 10-inch wheels make transportation easy
- No isolators to wear out or replace
- Every point on the pad oscillates at 1725 rpm while the entire pad spins at 80 rpm
- True dual-motion orbital mechanics
