Windsor 2.5 Gallon Extra Tank 86374720 for 1.005-293.0 Karcher BDS 43/Duo C Taz Orbital Scrubber [8.637-472.0] GTIN NA

Manufacturer: Windsor Industries

Windsor 2.5 Gallon Extra Tank ONLY 86374720 for 1.005-293.0 Karcher BDS 43/Duo C 9.841-231.0 Taz 9.841-236.0 Orbital Scrubber [8.637-472.0]

All Surface Cleaning Single-Disc Machine

Stone honing machine, wood restoration machine, floor sanding machine, adsorbent pad bonnet carpet cleaning machine, tile and grout cleaning machine, concrete cleaning machine, encapsulation carpet cleaning machine, horizontal scrubbing machine, orbital scrubbing machine, and more...

Think outside of the box. Round is the new square. Why? Simply because it performs better, costs less and is easier to use all day. Not only is this machine vibrating but is also turning at 80 rpm. Cleans and restores better than vibration only machines. Process more square feet per hour. One machine for all surface types. Simply change the attachments.

The versatile Radiant features ORB technology and provides true dual-motion orbital mechanics without the operator experiencing harsh vibrations from the machine. Our pad lies flat on the floor resulting in better productivity, more even pad wear, and improved results.

- Provides even pad wear resulting in better, faster performance
- Integrated solution system allows for improved control and less waste
- Low-vibration design allows for hours of fatigue-free usage
- Chemical-free floor finish removal
- Clean carpet with low-moisture encapsulation
- Make tile & grout shine with the nylon scrub brush
- Polish stone with our complete restoration kit
- Remove floor finish from wood, VCT and vinyl floors
- Clean indoor and outdoor concrete
- Deck can be raised to change pads without tipping machine on its back
- Large 10-inch wheels make transportation easy
- No isolators to wear out or replace
- Every point on the pad oscillates at 1725 rpm while the entire pad spins at 80 rpm
- True dual-motion orbital mechanics
