Karcher 02392 BRC 46/38 C WALK-BEHIND CARPET EXTRACTOR Replacement 18 inch Squeegee Blade 8.622-959.0

Manufacturer: Karcher Pressure Washing

Karcher 02392 BRC 46/38 C WALK-BEHIND CARPET EXTRACTOR Replacement 18" Squeegee Blade 8.622-959.0

This web page is for the squeegee blade only and does not include the carpet cleaning machine.

Used to replace a worn squeegee blade that was used to convert this carpet cleaning machine into a hard surface extractor.

The K&auml;rcher BRC 46/38 C carpet extractor is built for performance and easy maintenance.

With its ergonomic design, this unit features simplified controls to help you achieve professional results every time.

Easily adjustable brush settings provide superior cleaning performance and innovative technology in a durable, simple-to-use design.

Combine this machine with optional accessories for spot, stair and furniture cleaning. Key features of the K&auml;rcher BRC 46/38 C carpet extractor include a 10-gallon recovery and solution tank, easy to adjust brush settings and Quick Connect ports for easy attachment of tools.

Note: Factory states walk behind but during actually cleaning, you walk in front of the machine while walking backwards.

The part number 46 mean how wide is the brush in centimeters (18" wide) and 38 mean that the tank holds 3.8 liters of water (10 gallons)

The total width of the machine is 21" wide but cleaning is 18".

Factory states can require 3 week wait on production and delivery.
