

Model Number: 9.840-424.0

Windsor 9.840-424.0 Commodore Duo Function 3Yr Repair Protection Battery Powered CRB Encap Carpet Extraction 20Inch

Manufacturer: Windsor Industries

Windsor Commodore Duo Function Battery Powered Counter Rotating Brush Encapsulation And Carpet Extraction 20 Inch 9.840-424.0 Superline w/ 234 AH AGM Batteries, 21A Dual Mode Automatic Charger with Standard factory 3 Yr warranty

With just the turn of a switch, easily change from extraction to interim cleaning. Make room for more storage by replacing two machines with one, or improve your cleaning process by adding productive interim cleaning to the mix. Interim cleaning extends the time between scheduled deep extractions and improves your carpets appearance.

This machine operates at only 63 dBA which is perfect for daytime cleaning.

- Several uses for one machine
- Extraction and interim cleaning in one machine
- Change from interim to deep cleaning process at the turn of a switch - no mechanical changeover needed
- With the interim method using the iCapsol encapsulating chemical, the carpet is dry and ready for traffic in approximately 20 minutes.
- iCapsol interim cleaning process extends the time between scheduled deep extractions.
- Designed for maximum maneuverability
- Intuitive Control Panel for ease of use and training
- Built in storage prevents time-wasting trips back to the wet room
- On-board accessory wand for detail work
- Floating dual 20-inch counter-rotating brushes agitate and permeate the cleaners into both sides of the carpet nap for even, thorough cleaning. No operator adjustment needed.
- Powerful dual overlapping vac shoes extract soil and solution fast and efficiently in the Deep Restorative mode; vacuum shoes are equipped with a glide strip to reduce surface friction
- iCapsol Interim cleaning process extends the time before re-soiling occurs and reduces wicking

Five ways to use the Commodore DUO

- Encapsulation—Extends time between deep extractions and reduces re-soiling
- Deep Extraction—Deep, restorative cleaning
- Pre-spray and Rinse—Cleaning of surface soiling and extraction of soil in carpet while leaving the carpet free of shampoo or detergent, reducing resoiling
- Pre-spray and Extraction—Deep, restorative cleaning for very dirty carpet
- Rinse Only—Surface cleaning of carpet and elimination detergent and soap build-up, brightening the carpet and reducing resoiling

Windsor Ind W450-4 ICapsol Carpet Cleaner Case 8.695-226.0

Photos:

Due to the large volume of equipment we sell and the fact that we sell on numerous websites and markets we are unable to guarantee the photos you see are of the exact unit that will be shipped to you. All of our units are reconditioned using the same process and the end result is indistinguishable. If you require more pictures or more detailed information please message us.

Warranty and Returns:

New units: 3 years parts.

Factory Certified Refurb units are covered by a 90 Day Parts and Labor Warranty.

Valid within the lower 48 states of the United States. If a unit arrives and is not properly functioning AND we are notified within 48 hours of receipt, we will either: Dispatch a local repair technician to your location; Or at our choice and cost, return the unit to our location for repair and then ship it back at our expense. Certified Refurb machines may be returned or exchanged within three (3) days of the delivery date if the machine does not meet end-user quality standards. All freight is the responsibility of the end-user and returned machines (both directions). All wear items are excluded.
