

Model Number: F200B

Mytee F200B Lint Hog Hose Mount Lint Filter with 2 inch barbed inlet for vacuum hose

Manufacturer: Mytee Products

Mytee F200B: Lint Hog Hose Filter with 2 inch barbed inlet for vacuum hose

Description

The Lint Hog captures debris to prevent damage to your extractor.

Use Mytee's Lint Hog in-line filter to keep debris out of your extractor's vacuum motors. You'll experience unbeatable performance, extractor protection, user-friendly features, and durability. Protect your investment in equipment and your valuable time by ordering the Lint Hog today! Required for all auto dump and drain carpet and tile cleaning machines.

Features

- 2" barbed inlet
- Placed between two vacuum hoses, the stainless steel strainer basket traps debris as it moves from the wand to the extractor
- Wide, ribbed body provides maximum strength under pressure to allow for maximum airflow
- Keeps dirt, lint and other debris from damaging the extractor's vacuum motor, which can lead to down time and costly repairs
- Durable roto-molded housing handles rough use by employees better than other branded filters.
- Rubber feet assist keeping the filter in place

Includes

H359A Mesh Filter Bag with Stainless Steel Ring traps debris before it enters your machine.

G008 Pack of 25 Nylon Piglet Filters to line the Lint Hog's mesh filter bag

6/25/21 factory states might not be included any more, so in not in your box, sorry, cannot complain about it
