

Model Number: 8.689-668.0

Karcher 8.689-668.0 Infin-A-Tek Vacuum Motor Infinatek 120V Ametek Lamb 121118-00

Manufacturer: Karcher Pressure Washing

Customer Material No- MTR271, 121118-00, 86896680, 121118-00, 993-1927

Country of origin- US

The Lamb Ametek Flo-Tek Generation II 121118-00 1-stage 9.1&Prime; 120 volt blower motor is specifically developed for applications that require high airflow and medium pressure. The newly developed fan and housing are designed and optimized to deliver 70.4 inches of sealed vacuum and up to 238.4 CFM. Also has redesigned lamination that increases motor efficiency and allows for higher motor speeds.

The Flo-Tek Generation II Blower Motor delivers more than 5000 hours of life expectancy. Compare that to other blower motors and you will see Flo-Tek out performs the competition by a mile.

Some applications

- Central Vacuum Systems
- Car Wash Vacuums
- Car Wash Dryers
- Material Handling Systems
- Air Filtration
- Industrial Vacuums
- Flow Benches
