Husqvarna 967854603, LT 5005 9 Inch Compaction Rammer, Portable Soil Asphalt 230mm, Honda
GTIN 805544593946

Manufacturer: Husqvarna Equipment

Husqvarna 967854603 LT 5005 9 Inch Compaction Rammer Portable Soil Asphalt
230mm Honda

Description

LT 5005 is a well-balanced and lightweight yet powerful rammer, developed for efficient compaction of granular and cohesive soils such as clay and silt. Ideal for compaction in trenches or other narrow spaces, for example around pillars and pipes. Equipped with the latest Honda GXR120 engine, which is especially designed for rammers. The rammer offers superb control, low noise and low emissions.

Video

Features

High compaction performance

Efficient compaction thanks to a powerful Honda engine mounted in a compact, durable chassis delivering high speed and high impact force.

Great ergonomics

The single lifting point and rollers on the steering bow make on-site handling easy.

Transport wheel kit available as an accessory.

Easy to maneuver

The three-position throttle control (idle, full speed, stop/closed) also closes the fuel line to prevent leakage. The balanced design provides excellent traction and maneuverability.
