

Model Number: 587344701

Husqvarna 587344701 14IN R1420 Elite Ring Saw Blade Diagrip R20 Concrete Reinforced Hard Cured Stone 805544895828

Manufacturer: Husqvarna Equipment

Husqvarna R1420 Ring Saw Blade Diagrip 587344701 14 Inch For Concrete Reinforced Hard Medium Cured Natural Stone

HUSQVARNA R1420 14" DIAGRIP RING SAW BLADE, 587344701  
14" Diameter

Segment Length: 1.575 Inches

Segment Width: 0.165 Inches

Segment Height: 0.45 Inches

GTIN 805544895828

Gold Series

Cuts wet cured medium and hard concrete.

Packaging Height: 0.591 in

Packaging Length: 14.961 in

Packaging Width: 14.961 in

Diagrip is a revolutionary new technology for producing diamond segments. The diamonds have a special treatment that ensures an optimal distribution. The diamonds are held in the segment for longer, so they are utilized maximally. The result is blades with superior cutting capacity, longer life and a smooth, rapid cut. This blade is suitable for cutting through very abrasive softer material and has excellent speed and life in all abrasive concrete.

• CE-certification applies only when using Husqvarna ring blades and drive disc together with Husqvarna ring saw.

• All ring saw blades are supplied with a patented drive wheel.

## FEATURES

R1420 Diagrip blade cuts stone, hard to medium concrete, soft concrete and some building brick

Diagrip ensures an optimal distribution of the diamonds and holds them in the segment longer, ensuring blades with superior cutting capacity, longer life and a smooth, rapid cut

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Diagrip provides consistent performance

Works with the following Husqvarna saws:

K 3600 MK II

K 6500 Ring

K970 Ring

K 6500 Ring
