

Model Number: ECH740-3008

Kohler 25hp Command Pro Horizontal Engine ECH740-3008 EFI Electronic Fuel Injection GTIN N/A

Manufacturer: Kohler

Engine Type:

4-cycle, gasoline, OHV, cast iron cylinder liners, aluminum block

Model Command PRO EFI ECH740

HP (kW) 123.5(19.8)

Displacement (cc)

Bore in (mm) 3.3 (83)

Stroke in (mm) 2.7 (69)

Gross Torque ft lbs (Nm) 140 (54.2)

Compression Ratio 9.1:1

Dry Weight lbs (kg) 108 (49)

Oil Capacity US qts (L) 2 (1.9)

Lubrication Full pressure w/full-flow filter

Dimensions LxWxH (in) *14.8 x 18.9 x 24.5

Backpressure Limit 250

Certified Power HP (kW) 324.9 (18.6)

Certified RPM 3600

Engine Type Commercial

*Length is front to rear of engine. Width is valve cover to valve cover. Height is mounting surface to top of air cleaner.

1 Power (hp) and Torque (ft lbs) specifications for Kohler general purpose engines are rated pursuant to Society of Automotive Engineers (SAE) J1940 based on gross output testing performed according to SAE J1995 without the air cleaner and muffler. Actual engine power and torque are lower and affected by accessories (air cleaner, exhaust, charging, cooling, fuel pump, etc.), application, engine speed, ambient operating conditions (temperature, humidity and altitude) and other factors. This J1940 / J1995 rating provides consistent measurement to customers who may want to control the intake and exhaust features of the engine. For more information, contact Kohler Co. Engine Engineering Department. Kohler Co. reserves the right to change product specifications, designs and standard equipment without notice and without incurring obligation.

2 Inches of H2O @ 3600 RPM WOT

3 J1995 power and torque certified by 3rd Party Witness

Manufacturer

Manufacturer Warranty: 36 months parts
COMMAND PRO EFI ECH740

If you want lower operating costs and less downtime, the fuel-sipping KOHLER®; Command PRO®; EFI is your engine. Closed-loop electronic fuel injection saves you big on gas and covers more ground between fill ups.*

Features

Saves significantly on fuel, with less downtime for refueling*
3-year unlimited-hour limited commercial warranty

Equipment: [Carpet Cleaning Machines](#) > [Vacuum Cleaners](#) > [HEPA Concrete Dust Slurry Hazmat Vacuums](#) >

Advanced sensor technology allows engine to optimize performance by automatically adapting to operating conditions
Starts like your car - just turn the key and go
EFI Diagnostic Software provides quick and easy troubleshooting to minimize downtime
