Husqvarna Vari-Cut 16 Inch Blade 542751360 Cutting Concrete Brick Roof Tile Flint  
Granite Marble Natural Stone Iron  
Replaced by 534973130

The Vari-Cut range of diamond blades is our intermediate or Silver category. This category is ideal for general contractors and is developed for professional use in all-round applications. It offers high cutting speed and wear resistance in all cutting and sawing operations.

Vari-Cut diamond blades are used in a wide range of materials including concrete, asphalt, granite, marble, brick, tile and abrasive materials.

With Vari-Cut diamond blades you get quality, reliability and performance at a reasonable cost.

The range is designed and produced according to EN13236 standards, ensuring you the highest level of safety.

General purpose for cured concrete and brick

Uses a Turbo segment for fast cutting

Total segment height of .400
