

Model Number: 1.106-160.0

Karcher 1.106-160.0 Dual Mister Pressure Washer Combo Unit 2GPM 1000psi PW Mode OR Mist Mode .03GPM 110psi Mist Mode

Manufacturer: Karcher Pressure Washing

Karcher's cold water, corrosion-resistant aluminum Dual Mister easily converts from a pressure washer to a mister for dispensing sanitizer or disinfectants, such as Vital Oxide®.

This reliable electric powered pressure washer comes standard with a humidifying nozzle and an Easy!Valve that allows the operator to easily switch from pressure washing to misting mode.

It can convert from a cart to skid, provides a bypass loop for additional pump protection, and it offers a low profile handle and compact footprint, making it easy to maneuver.

In short, this unit is designed to combat viruses and bacteria in misting mode, or it can be used as a high pressure washer to clean surfaces. Your choice.

The idea behind this build it to suck off a large tank of disinfectant, use the misting nozzle and spray large areas quickly. Stadiums, streets, storefronts, any location that you really, really to to apply disinfectant fast.
