CASE of 4 Gallons of Nilodor Nilecho Solvent Deoderizer. 021883001038

Years of testing have proven Nilecho's strength and efficiency. Oil-soluble Nilecho is an economical solution for severe agricultural, industrial and commercial malodors. Nilecho is 100% active, environmentally safe, and may be used in proximity to animal feeding areas. Nilecho is "acceptable for use in inedible product processing areas, non-processing areas, and/or exterior areas of official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs." Oil soluble Nilecho may be used full strength or diluted with mineral spirits. It is formulated for most types of fog and/or vapor equipment. For many applications, a thermal fogger is recommended.
