Husqvarna PG 450 Floor Concrete Grinder 2Hp 120V Diamond segments and 967648606 [967648608] PG450 19Inch

Manufacturer: Husqvarna Equipment

Husqvarna PG 450 Floor and Concrete Grinder 2Hp 120V, Diamond Segments And Freight Included 967648608

PG 450 is a versatile and user-friendly planetary floor and concrete grinder.

Perfect for a wide range of applications, e.g. coating removal, concrete grinding and concrete polishing.

It is also suitable to use to make Husqvarna HiPERFLOOR®.

With its 18 in. grinding width it is excellent for both small hard to get to areas, as well as larger surfaces.

It is ideal for rental and both professional and semi-professional applications due to its many self-adjusting benefits.

1-phase means it is suitable for industrial and domestic applications.

It can easily be folded and divided without tools for transport and storage.

Factory Installed NEMA 5-20 Plug

The PG 450 come in two versions.

A light duty 120 volt 2 HP 19 amp / 2280 Watt version and the heavy Optional Heavy duty 3 hp 240 volt 13 amp / 3120 Watt version.

****This webpage is for the light duty 2 hp 120 volt version****

Way easier to plug in two power cords at 13 amps with the Heavy Duty 3 horse power version than a single power cord at 19 amps.

Please note that every building has 15 amp breakers, and not every build has 20 amp breakers.

The 120 volt version gear reduction motors turns 33.5% slower than the 240 volt version.

So this version grinds a third slower while more apt to trip breakers.

Universal 2" vacuum hose connection.

Factory power cord is 1 foot long.

Bundle Includes:

Husqvarna PG 450 Floor Concrete Grinder 3Hp 230V Freight Included 1Yr Warranty [967648605] Price Match PG450
