purposes.

PG 510 and PG 530 combines the latest technology to deliver more power and performance than any other triple head planetary machine available in its class. Excellent choice for concrete floor preparation and repair as well as all polishing and grinding applications – both wet and dry. Perfect for HiPERFLOOR®; concrete floor polishing system.

The PG 510 is a planetary floor grinder with three grinding discs and a total grinding width of 515 mm.
