

Model Number: 77009

Tornado 77009 16ft Flexible Hide-A-Hose Set 1.5in QD's and CFR Trigger Valve Installed

Manufacturer: CFR

Tornado 77009 16ft Flexible Hide-A-Hose Set 1.5in QD's and CFR Trigger Valve installed

#### Description

The Hide-A-Hose's simple principle of placing the solution line through the vacuum line with specially modified hose cuffs makes it the most time savings convenient hose system in the industry. No more taping the solution line to the vacuum hose which insures that you keep flexibility and the sticky tape does not drag dirt from job to job.

The Hide-A-Hose is taking over the carpet cleaning industry. The benefits using the Hide-A-Hose are numerous. No more joining the solution hose to the vacuum hose with tape or cable ties... or those vinyl ties that tend to catch on things going by. The ease of rolling one hose out at the job.

Simply the most innovative invention since the Steam Extraction Carpet Cleaner.  
Specification

- 16 ft long (16 ft solution hose / 14 ft vacuum hose)
- 1-5" ID vacuum hose
- High pressure solution hose rated for up to 1000 psi
- Shipping weight 20 lbs
- Tornado: 77009
- Includes pressure control valve that is designed to mate with CFR wands.
- Note the factory can fill this in different colors (usually black, but customer does not get to pick the color) also the wire reinforced style vacuum hose has been replaced by a non-crushable no wire style vacuum hose.
