The most advanced edge grinder for professional users

Switching to an HTC 270 EG means that the time spent on edge grinding can be seriously reduced for any contractor. We are confident to say that the HTC 270 EG is the world first true professional edge grinder.

The core focus in HTC's product development has always been ergonomics, economy and ecology and HTC 270 EG is no exception. The machine is advanced, yet simple to use and many different options in configuration enables a more controlled and ergonomic edge grinding than ever before.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Factory warranty as brand new: 1 Year parts!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "A" Only 3 at this price! (2024-10-11)

Our demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory rep direct to the customer and have already been cleaned and packaged.

This webpage is the the 967838705 / 967838708 version.

The optional 120 volt version is less weight and means it grinds much slower.

The optional 3 phase 460 volt version requires a special generator to operate

This model with the optional HTC power coverter pack gives you the added weight and speed and power but still can easily be powered up. No generator required. 20 amp surge / 13 amp run. When starting the unit, apply downward pressure to left and lower the surge amp draw. Once turning, let up on the handle to start grinding with 79 lbs downward pressure.

Freight is for commercial forklift locations. Home delivery, calling for an appointment, lift-gate service fees are not included.

Factory is allowed to ship items in any color of their choice. These can ship in gray, black, orange, red, blue, factory choice.
