Tornado BR 9/1 99409 Multiwash 10in Multi-Surface Encapsulation Scrubber CRB10 Freight Inc

Manufacturer: Tornado

Minuteman Port A Scrub 8" Brushes in a Multiwash 10" CRB Housing / machine

The Multiwash 10 offers quiet, high quality cleaning performance, versatility, ease of use and durability. This machine will wash, mop, scrub and dry in a single pass on virtually every kind of floor even escalators and entrance matting. The Multiwash gives outstanding results – in a single pass – on most types of hard floor coverings leaving wood, PVC, studded rubber, linoleum, marble, granite, stone, quarry tiles, ceramic floors and non-slip safety floors ready to walk on in minutes. This all in one machine can also be used on soft floor coverings including woven and non-woven short pile carpet and carpet tiles. The Multiwash 10 is perfect for use in retail stores, restaurants and food preparation areas

Clean carpet, hard floor, ceramic, tile, VCT, linoleum, marble, stone, and more with one machine!

Features:

- Cylindrical brush system provides deep scrubbing at 650 RPMs - over three times higher than rotary brush scrubbers and 4-6 times more contact pressure for superior cleaning
- Save time with self-cleaning brushes - no messy pads to worry about and brushes far outlast pads, using an average of one set of brushes for every 100 floor pads
- Eco-friendly low moisture cleaning uses 30% less chemical and water providing increased savings
- Whisper quiet 69 dB level for day cleaning and noise sensitive applications - meets LEED requirements

Product Features:

Excellent maneuverability, no heavy pushing, pulling, or lifting

Wall-to-all cleaning that reaches into the tightest corners

Removable recovery tank makes cleanup effortless

Contra-rotating brushes and recovery drum clean and clear debris in one pass

Quiet operation for day cleaning and noise sensitive applications
