

Model Number: 1450X2

Clean Storm 1450X2 Pump and Heater Combination 1540Psi 2Gpm pressure Washing Carpet Tile Cleaning

Manufacturer: Clean Storm

Clean Storm 1450X2 Pump and Heater Combination for Up to 1540 psi and 2 Gpm for pressure Washing Carpet and Tile Cleaning

The 1450X2 model electric power washers offer economical solutions to your hot water pressure washing applications. The portable diesel pressure washer frame is equipped with hose and wand holder and can be rolled around easily on two 13" wheels. Be sure to look at the accessory reel that can be added to your machine as it easily mounts in the female socket on the machine frame. This hot water pressure washer with wand features an industrial motor that is totally enclosed and thermal overload protected, industrial triplex plunger pump with ceramic plungers and stainless steel valves is equipped with low pressure chemical injection and system is protected by unloader valve and secondary pressure pop off. Burner system includes a rust free fuel tank, schedule 80 coil with stainless steel wrap, is controlled by an adjustable thermostat and temperature limit switch for a maximum temperature 195° F.

Heavy duty trigger gun with a dual wand with side handle valve allows for user to switch from high pressure cleaning to low pressure detergent application and is equipped with quick change 0°, 15°, 25° and 40° pressure washing nozzles.

When used with carpet cleaning, please consider a 4 jet wand as this is a flow controlled burner. In other words, the burner only lights with the water is in motion and the water temperature is below the dialed settings.

200,000 btu of heat is twice as much heat a most truckmounts.

For use with tile cleaning wands, please consider the Turboforce TH15

1450X2 Product Specifications

Brand: Clean Storm

Water Type: Hot

Powered By: Electric Motor

Mounting Type: Cart

Flow Rate in GPM / LPM: 2 / 7.5

Horsepower: 2

Product Dimensions: 34" x 27" x 47"

Voltage / Amperage / Phase: 120 Volt / 20 Amp / 1

Pump Thermal Protection: Mechanical

Max Pump Inlet Water Temp: 140° F

Hose Dimension: 50' x 3/8"

Power Cord: 35' with GFCI

Ship Weight: 320

Heated By: Diesel Fuel

Burner Fuel Tank Capacity: 5 Gallon

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Burner Fuel Type: Diesel Fuel
Burner Stack Dimension: 8" Diameter
Operating Pressure in PSI / Bar: 1450 / 100

Availability: This product was added to our catalog on Tuesday 01 June, 2021
