

Model Number: 75859

NorthStar 75859, Portable Electric Air Compressor, 125-155 psi 1.6 HP 30-Gallon Vertical, 5.3 CFM 120 volt 15 Amp

Manufacturer: NorthStar

NorthStar 75859 Portable Electric Air Compressor 125-155 psi 1.6 HP 30-Gallon Vertical 5.3 CFM 120 volt 15 Amp Freight Included

300% larger tank than most other 120 volt air compressors for longer run times

Heavy-duty 1.6 HP, 15 Amp induction motor for maximum performance and efficiency

Durable cast iron V-twin pump provides good heat dissipation and no transfer of heat between cylinders

Belt drive oil-lubricated pump runs quietly and delivers long pump life

30-gallon vertical tank is ASME certified

10in. pneumatic wheels for easy portability

Product Summary

The NorthStar® 30-Gallon Portable Electric Air Compressor is powered by a heavy-duty 1.6 HP induction motor for maximum performance and efficiency. Cast iron oil-lubricated V-twin pump provides good heat dissipation and no transfer of heat between cylinders for long service life. Versatile dual voltage motor is wired for standard 120V outlets but can be converted to 240V applications. 30-gallon vertical tank is ASME certified. Equipped with 10in. pneumatic wheels for easy portability. Made in U.S.A. Free shipping to lower 48 states to commercial address with forklift on site. Home Delivery extra \$85.00 even if forklift on site.

What's Included

(1) 30-gallon portable air compressor

(2) 10in. pneumatic wheels

Features + Benefits

Heavy-duty 1.6 HP, 15 Amp induction motor for maximum performance and efficiency

Durable cast iron V-twin pump provides good heat dissipation and no transfer of heat between cylinders

Belt drive oil-lubricated pump runs quietly and delivers long pump life

30-gallon vertical tank is ASME certified

10in. pneumatic wheels for easy portability

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Dual voltage motor is wired for standard 120V outlets but can be converted to 240V applications
Convenient controls put gauges, regulator and quick connect at your fingertips
1/4in. quick connectors for easy tool changes
Quiet 77dB operation
155 max. PSI for optimum tool performance
Durable stainless steel reed valves
Oil level sight glass
Automotive style ball bearings
10in. cast iron balanced flywheel
One-piece cast iron crankcase
Thermally stable cast iron cylinder body
Aluminum head and machined cast iron valve plate
