HydraMaster 000-163-118 TALLER Stainless Steel 3 Tier Van Shelves Shelf For Ford Transit Dodge ProMaster and Nissan CV

Get your chemicals up off the floor.

Our three tier over the wheel well chemical shelf designed specifically to utilize the additional height of the Ford Transit, Dodge ProMaster, and Nissan CV vans.

- Fits over the wheel well of the new unibody vans
- Manufactured using heavy duty stainless steel for maximum corrosion resistance
- Attaches to both the vans floor and sidewall for maximum stability
- Higher bottom shelf allows for spotting kit or tool storage on the van floor below the first shelf
- Rounded corners for safety
- Designed to hold up to 8 one gallon containers per shelf (24 Total)
- Each shelf has 4 inch lips to ensure product stays organized and in place
- Shelves are height adjustable to allow for items larger than standard one gallon container
- Takes advantage of higher roofs for more storage space
- Can also be used to store tools, brushes and more!
