The COBRA-H2 provides exceptional value. At 220 psi and 212° F instant heat, the COBRA-H2 can tackle the toughest cleaning jobs on carpet or upholstery. This extractor features an internal heat exchanger to maintain 212° F cleaning solution at the wand tip for superior cleaning. The low moisture system improves carpet drying times. New upright and light-weight design makes the COBRA-H2 very easy to maneuver and the compact size takes up limited storage space. The Cobra H2 offers longer run times with 8 gallon solution and recovery tanks.

## Technical Specifications

Vacuum/Motor  
Dual 2-Stage, In-Series Motor 145" Lift 97 CFM

Pump  
220 psi on demand Aquatec
