32 in stock in KS location 07/19/2023

Limited sale to stock, then once sold out, back orders not allowed at this price.

Husqvarna Smart is our most powerful concrete vibrator for professional customers. It is an electronic high frequency vibrator with an intelligent, integrated frequency converter, combining reliability and performance with the latest technology. The high centrifugal force, stable speed and high amplitude ensure excellent concrete vibration with fewer dips. It's ergonomic design reduces hand/arm vibrations, while the lengthy cable and hose provide exceptional reach.
