Sale Limited to the next 32 Sales, (July 2024) Ships from the CA location.

H-Series is specifically designed for grinding hard concrete
H-Series is specifically developed for hard concrete (Mohs scratch test between 5 and 7). For power troweled surfaces the H-series could be a good choice. The H-series can also be suitable for processing of natural stone such as marble and terrazzo.

Note the exact color or shade of an item is not guaranteed.
