Husqvarna 970449701 K 7000 Concrete Chain Saw Prime Power Cutters

Product Description

Husqvarna K 7000 Chain is the new version of Husqvarna's versatile PRIME chain power cutter. This machine is very useful in all handheld applications where you demand high precision without over-cutting, such as narrow plunge cuts and corner-cutting of openings for doors and windows. The 16 in (400 mm) cutting depth adds even more versatility to the potential applications for this machine. Husqvarna K 7000 Chain comes with several new features including the updated, intelligent motor control software that enables increased cutting performance.
