HydroForce New AW104 Tile Cleaning Tool SX12 Hydro HP-12 Wand  
40300 1610-8235 Price Match 183120

## Description

Turn any portable extractor into an incredible tile and grout machine with the Water Otter!

The worlds #1 best selling carpet and tile cleaning pump. This is the same pump installed under the hood of 90% of the tile cleaning machines on the market today. By hooking your pressure hose to the Water Otter instead of your portable extractor, you'll get 1200 psi of raw power to blast grout lines clean! Now you just need to hook your vac hose to your portable extractor, and put on a good tile and grout tool (SX-12 or Gekko come to mind) and you're ready to clean tile with the best! Clean at 500 psi for carpet cleaning or turn it down to 200 psi for upholstery cleaning. Also used as a high pressure misting system pump.

## Specification

## Commercial Duty

American-Made Pump and Motor

1,000 - 1,200 psi, 2.2 GPM at Nozzle Tip (turn down pressure if you like to as low as 200 psi)

14.3 Amp High Efficiency Motor

Maintenance-Free 1,200 psi Pump

1,000 Hour Continuous, Full Load Rated

Simple Repair, Low Cost Parts

Each Component The Best Available

GFCI with 35' Cord (120 volt versions only)

Female Garden Hose Inlet

1/4 Female Quick Connect Outlet

Max Water Temperature 140 degrees

120 Volt, 8 to 15 amps (depending on pressure), 240 volt version is this amp draw cut in half.

fitted with an m44 motor, this is the motor used for a hard surface pumping system that is outside the extractor case.

Does come with a pressure gauge.

Out of box measurements 14" X 11" 11" H

Shipping wt: 50#s

Shipping dimensions: 20" X 16" X 15"

Amp draw is 7.5 amps to turn on + 1 amp for each 200 psi you ask it to push.

Example 500 psi uses 10 amps @ 120 volts

## Hydro-Force SX12 AW104 - Tile Cleaning Tool FREE Air Mover

### Description:

The latest technology for cleaning tile and grout! The SX-12 blasts soil and dirt from tile, grout, and smooth or rough hard surfaces. The rotary arm spins to create amazing soil blasting power working from 700 to 1,500 psi, while the vacuum ports pick up all the waste. Aerodynamically engineered radial vacuum line creates a laminar-flow vortex in the cleaning head that allows the SX-12 to remove water twice as fast as competitive models. The SX-12 is ready to work with truckmount carpet machines, pressure washers and vac systems, or the HydroForce high pressure portable extractors.

2" OD vacuum hose connection

Final shade or color is not guaranteed on either the wand or the air mover, but blue color are the default for both.

### Features:

- Works with front-to-back and side-to-side motion.
- Works on uneven stone or tile surfaces or smooth concrete.
- Light-weight construction.
- Tool length is comfortable for users of all heights.
- Non-fatiguing: glides easily over the floor.
- Ergonomical Handles are spaced shoulder-width
- Easy-pull trigger
- Stainless steel handle and high-tech polymer casing will take a beating and ask for more
- High-grade ceramic swivel - rebuildable!
- Max cleaning temperature is 210 at the machine or 180 degree F at the wand.
- High pressure sewer jetting hose used between the trigger and dome.
- Low profile: gets under counters or toe kicks
- Toe-adjustable vacuum relief lets you adjust the suction strength on the fly
- Unique airflow system allows use on portables or truckmounts - both with excellent solution recovery
- Stiff nylon brush with skirt - great for stone & concrete
- 12" Cleaning Path
- Simple 2 piece head and brush construction

-FREE Air Mover of our choice of color, brand, size with purchase

## Optional

Clean Storm AH46 Vacuum Hose Enlarger Cuff Expander 1.5in Threaded X  
2.0in Slip 19-027 579-012

If you want to use with 1.5" ID vacuum hose, purchase this optional hose cuff!  
Screws onto 1.5" id hose, slip over the 2" wand pipe.
