Red

Scent
none

Foaming
Low

Concentrate pH 13.3

Specifically designed to break up and lift petroleum-based grease and oily soils commonly found in machine shop environments. Formulated for heavy-duty cleaning of all types of finished and unfinished concrete, including painted and epoxy-coated floors. No-rinse formula is designed to remove soil and leave a streak-free finish. Developed for floor scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect the machine from scale and contaminants.

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Benefits

Removes Petroleum-Based Soils

Non-Foaming for Use in Floor Scrubber Machines

Environmentally Friendly - Phosphate Free

Dilution Ratio: 1 to 2 ounces per gallon, 5 gallons makes 645 gallons

NEW

To Apply: Spray diluted solution on surface and allow to penetrate, but not dry. Apply detergent from the bottom up and rinse from the top down.

Directions: INDUSTRIAL USE ONLY. Read the Safety Data Sheet thoroughly before using this product. For routine daily floor cleaning, use 1 fluid ounce of product per gallon. (pH: 10.3 at dilution) For heavier soil accumulations, use up to 2 ounces per gallon. For heavy spots, dilute product 1:3 with water, and use as a pre-treatment
