Demo Husqvarna 970449701A K 7000 Concrete Chain Saw Prime Power Cutters

## Product Description

Husqvarna K 7000 Chain is the new version of Husqvarna's versatile PRIME chain power cutter. This machine is very useful in all handheld applications where you demand high precision without over-cutting, such as narrow plunge cuts and corner-cutting of openings for doors and windows. The 16 in (400 mm) cutting depth adds even more versatility to the potential applications for this machine. Husqvarna K 7000 Chain comes with several new features including the updated, intelligent motor control software that enables increased cutting performance.

Output power 7.4 hp

Cutting depth, max 18 in

Weight 20.1 lbs

Rated input power 4/ 7.4 hp

GTIN 805544471992

Bar and chain sold separately.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final. Same factory warranty as brand new: 1 years parts / 1000 hours!

Condition of this machine: "A" Only 1 at this price!

Our demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory direct as they have already been refurbished, tested, and crated.

Ships from KS warehouse.
