This electric all-round cutter minimises the amount of water and slurry. Unlike other electric cutters, the blade rotates forward, cutting into the material efficiently with minimum effort on the operator. K 4000 is easily adaptable for dry cutting with the Vac attachment accessory for minimal dust generation. An electric power cutter that enables clean dry cutting without dust or water. The optional vacuum unit provides superior dust collection, making this machine a market leader. Unlike other electric cutters, the blade rotates forward, cutting into the material efficiently and with minimal strain on the user. The K 4000 Vac also has Elgard&trade; which warns of an approaching overload.
