Manufacturer: Husqvarna Equipment

Used Husqvarna 968411301 Core Drill Motor DM230 110V GTIN 805544478052
Handheld electric core drill with attractive design and functional ergonomics. The motor is designed with an ergonomic pistol grip giving you greater control. Handheld core drilling up to 4 in. or drilling with stand up to 6 in. Suitable for light applications such as ventilation, plumbing pipes and electrical sockets. DM 230 is an excellent choice for professionals as well as less experienced users.

The machine uses pulsation to warn you of an approaching overload. If the load is not reduced the motor will shut off, to prevent overheating. Elgard™ increases productivity and extends product life.

Watercooled 3 speed gearbox for optimal drilling performance and longer service intervals.

Used with starting a hole, speed is reduced by half using the Smart Start® button, which reduces vibration.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, used to make a video... Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so your letting some other customer place the order ahead of you.

All sales are final.

Factory warranty as brand new: 12 Month parts and labor!

Extend the warranty to 3 or 5 years for a little more.
