## 25' 12/3 SJTW Lighted Ext Cord (DeWalt Yel)

Our heavy duty power extension cords have become the industry standard for durability and safety. We use only soft-drawn, bunch stranded 100% copper conductors for maximum flexibility. In addition, our heavy duty plugs are molded with large strain reliefs that prevent the ends from pulling away from the body. Our cords are manufactured with cold weather insulating and jacketing compounds. As a result, Century Power® cords are extra flexible in temperatures well below freezing. Specification

- UL/cUL Approved
- 125 volts
- Grounded three-prong lighted Male plug
- One outlet
- 15 amps
- 12-gauge wire
- 25 ft.
- Added insulation and flexibility for outdoor use.
- No female side

Final shade and color are not guaranteed but usually filled in yellow or blue
